

INTERNSHIP RECRUITMENT ANNOUNCEMENT

CCL Industries employs approximately 9,800 people and operates 87 production facilities in 25 countries on 5 continents with corporate offices in Toronto, Canada, and Framingham, Massachusetts.

CCL Label is the world's largest converter of pressure sensitive and film materials for a wide range of decorative, instructional and functional applications for large global customers in the consumer packaging, healthcare, automotive and consumer durables markets. Extruded plastic tubes, folded instructional leaflets, precision printed & die cut metal components with LED displays and other complementary products and services are sold in parallel to specific end use markets.

CCL Container is a leading producer of impact extruded aluminum aerosol cans and bottles for consumer packaged goods customers in the United States, Canada and Mexico.

This year CCL Label Vietnam starts to kick off the Internship program and those who pass the program will have opportunities to become our official CCL Members.

This year we offer internship roles in the following areas including but not limited to:

1. Business Administration
2. Electrical Engineering
3. Mechanical Engineering
4. Printing

If you are fresh graduates or have under 1 year of work experience, you can apply our Internship program to develop your professional career path.

Join us today, and help us innovate and shape the business of tomorrow.

Just bring your fresh ideas, perspectives and passion!
