

Mercedes-Benz

Mercedes-Benz Vietnam Ltd. (MBV), a subsidiary of the German-based Daimler AG, was incorporated on April 14th, 1995. MBV's scope of business is Manufacturer, Distributor and Customer Service of Mercedes-Benz Cars in Vietnamese market. Four models are proudly being handcrafted in the plant of Mercedes-Benz Vietnam: C-Class, GLC-Class, E-Class and S-Class. Together with other several imported models in the complete Mercedes-Benz product portfolio have made us the leading brand in the premium cars segment. The above achievement so far of MBV would have not been granted without the great contribution from our talented colleagues who have put their continuously effort throughout their time in order to handover the best quality Mercedes-Benz products to the end customers.
