Authorised OKI Distribution Partners

To Whom It May Concern:

Please kindly take note the following comments relating to official sources for OKI International products in the region supported. We firmly believe in authorized channel distribution within a territory as this ensures that we can train and support their staff effectively without a drop in the quality of that training. This level of professionalism is then passed on to the end customers for total customer satisfaction.

To this end, please be assured by OKI International that **Creative Engineering** is the official and wholly authorized sources for genuine OKI International products in Vietnam.

In addition, an extensive list of our authorized distributors can be found on our website www.okinternational.com which is a good source of future confirmation.

Many thanks for your kind understanding in this matter and I remain,

Yours truly,

Gareth John Davies
